

Non-Members and Registration

In conjunction with ICES' registration company and the ICES Membership Coordinator we are pleased to announce that non-members will be able to join ICES through our registration system while registering for the 2010 Convention and Show in San Diego, CA. If you know someone who is not already a member and wants to be a member and attend convention select the non-member registration option and follow the prompts. Membership and registration can be paid in the same transaction.

Please remember if your ICES membership expires before the 2010 Convention and Show you must renew your membership in order to enjoy the membership rates. Membership status will be reviewed and verified upon check-in on site in San Diego.
